Let your little ones run wild and discover the magic that can be found around every corner. Plus there are tunnels and ball pit. All our indoor play-centers have a multi-tiered climbing frame to explore with slides! And much more: ball fountain, soft play areas for babies and toddlers, zero gravity machine, ball guns.

Adults can join in the fun or relax with a coffee and and enjoy the free Wi-Fi. Drop-in service available for parents with children 6 years old and up, who need a couple hours to do chores, take care of business, shop, go to medical appointments, etc.

The first in Nova Scotia and only at The Kids Fun Factory ! Enjoy amazing 9D Virtual Reality Egg Simulator and enjoy the fun and immersive world of Virtual Reality.

All the fun without the hassle! We have everything you need for a really great birthday party without all the fuss - just leave it to us. Our helpful friendly staff will help you create a really wonderful party for your child.
