For 45 years Kent has provided the service, knowledge and products our customers need to accomplish their building and renovation goals. We currently operate 48 retail locations and we employ over 3,400 associates in communities across New Brunswick, Nova Scotia, Newfoundland, and Prince Edward Island.

If you need advice, our department experts can help you find the right products to suit your needs. If you need an item that is not in-store, our friendly associates will special order it for you. And if you find a lower retail price anywhere in our community on an identical item we stock, we'll not only meet it, we'll beat it by 10%.
